Future Lab

DRONE QUEST:
OPERATION FALCON-1

Unique Team-Based STEM Quest for Grades 6–11

We invite your children to an exciting technological adventure — **Drone Quest: Operation Falcon-1.**

Story: During a test flight over the desert, the advanced drone Falcon-1 suddenly went missing. Participants become an elite team of cadets from Future Lab Drone Academy. Their mission is to complete a series of challenges, collect fragments of a secret map, and locate the drone's crash site before their competitors.

DURATION
90
minutes

FOR:
11–17 years (Grades 6–11)

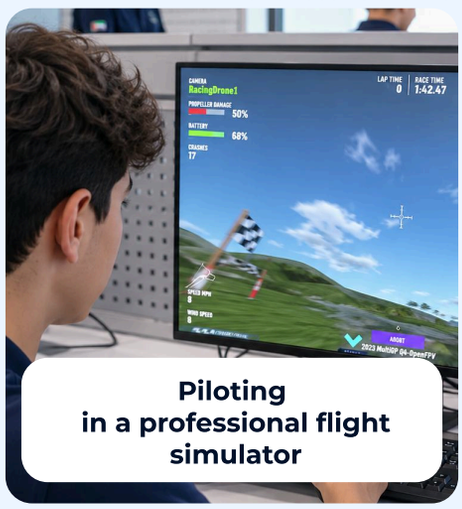

FORMAT:
Team-based game with competitive elements

WHAT PARTICIPANTS WILL EXPERIENCE

Each task combines physical activity, teamwork, technology, and logical thinking. In the finale, teams assemble the complete map and receive the main prize.

Team challenges focused on logic, coordination, and speed

Piloting in a professional flight simulator

Digital tasks and teamwork to solve the map
